Investigative Summary

Incident: Hit Shooting
LASD Report: 010-80004-1699-055
IAB File: SH2258903

OPENING STATEMENT

On January 14, 2010 (Thursday), Internal Affairs Bureau Sergeants Eric Strong and Carlos Flores responded to 515 West Gardena Boulevard, Los Angeles, where Carson Station Deputy [REDACTED] fired one bullet from his department-authorized .45 caliber semiautomatic pistol at Adrian Alonzo (striking him). Suspect Alonzo, who had refused to take his right hand out of his pocket, made a turning movement toward the deputies while pulling his right hand from his pocket.

SYNOPSIS

Deputies Mat Taylor and [REDACTED] were patrolling in the area of Denver Avenue and Gardena Boulevard. They saw a male and a female on the north side of Gardena Boulevard engaged in what they believed to be a narcotics transaction. They saw the male hand the female small items, which are consistent with the sales of narcotics.

The female saw the deputies and ran into an apartment complex and out of their view. Suspect Alonzo was still standing on the sidewalk. As the deputies stopped to approach the suspect, he reached into his right pants pocket and stiffened his arm while walking in their direction. Deputies ordered the suspect to stop and show his hands. He stopped momentarily, made eye contact with the deputies, then suddenly turned to his left and tried to scale a wrought iron fence, using only his left hand while keeping his right hand in his pocket. He was unable to climb the fence and dropped back to the ground. Despite continual orders to remove his right hand from his pocket, the suspect would not comply.

At this point the suspect started to turn to his left toward the deputies, causing both deputies to lose sight of his right hand. Believing the suspect was trying to arm himself and fearing for their safety, Deputy [REDACTED] fired one round at the suspect, striking him. The suspect fell to the ground and was handcuffed by the deputies without further incident.

Suspect Alonzo sustained a single gunshot wound to the neck. He was transported to Harbor/UCLA Medical Center where, he is listed in stable condition.

WITNESS DEPUTY STATEMENTS

Deputy **Mat Taylor** was interviewed by Homicide Bureau investigators regarding his observations and actions during this incident. This interview was audio recorded and the verbatim transcript is included in this investigative casebook. For a summary of Deputy Taylor's statement refer to **Exhibit A, page 50**. For his complete and detailed statement refer to the verbatim transcript.

IAB INTERVIEW OF DEPUTY MAT TAYLOR

IAB Lieutenant Stefanie Fredericks checked to see that the Watch Commander, Sergeant Michelle Hall, took reasonable steps to ensure that the involved and witness personnel did not discuss the incident among themselves or with uninvolved persons prior to being interviewed by the assigned investigators, and that the involved and witness personnel did not collectively consult with their attorney or representative. In addition, IAB Lieutenant Fredericks checked to see if the Watch Commander attempted to have involved and witness personnel gather in the company of a supervisor (Sergeant Faye Bugarin) until they have provided a statement to the assigned investigators.

Deputy **Mat Taylor** was interviewed on Wednesday, March 17, 2010. This interview was audio recorded and the verbatim transcript is included in this investigation. Witness Taylor wrote a supplemental report describing his actions and observations during this incident [**Exhibit A**]. The following is a summary of Deputy Taylor's interview in which he explained his actions and observations regarding the shooting and use-of-force. For his complete statement refer to the verbatim transcript in this case book and the digital audio file.

Deputy Taylor stated that while working with his partner Deputy [REDACTED] they observed what they believed to be a hand to hand narcotic transaction. Deputy Taylor was the driver and pulled their patrol car into a position to conduct a pedestrian stop of Suspect Alonzo.

At the on-set of the pedestrian stop Suspect Alonzo placed his right hand in the front right pocket of the short pants he was wearing. Suspect Alonzo did not comply with orders to remove his hand from his pocket. Suspect Alonzo looked directly at both deputies and Deputy Taylor believed that Suspect Alonzo was trying to decide whether to engage the deputies or flee.

Suspect Alonzo attempted to scale a high fence using only his left hand, keeping his right hand in his pocket. After this failed attempt to scale the fence, Suspect Alonzo turned away from the deputies. Deputy Taylor said he lost sight of the suspect's right hand and feared that the suspect may have been arming himself to engage. Deputy Taylor heard Deputy [REDACTED] weapon discharge and saw the suspect fall to the ground. Deputy Taylor then handcuffed the suspect while Deputy [REDACTED] provided cover. The deputies initiated a radio broadcast regarding the incident, requested paramedics, and provided medical treatment to the suspect until the paramedics arrived.

INVOLVED DEPUTY STATEMENTS

Deputy [REDACTED] was interviewed by Homicide Bureau investigators regarding his observations and actions during this incident. This interview was audio recorded and the verbatim transcript is included in this investigative casebook. For a summary of Deputy [REDACTED] statement refer to **Exhibit A, page 53**. For his complete and detailed statement refer to the verbatim transcript.

IAB INTERVIEW OF DEPUTY [REDACTED]

Deputy [REDACTED] was interviewed on Wednesday, March 17, 2010. This interview was audio recorded and the verbatim transcript is included in this investigation. Deputy [REDACTED] wrote a Supplemental Report describing his actions and observations during this incident [Exhibit A]. The following is a summary of Deputy [REDACTED] interview in which he explained his actions and observations regarding the shooting. For his complete statement refer to the verbatim transcript in this case book and the digital audio file.

Deputy [REDACTED] stated that while working with his partner Deputy Taylor, they observed what they believed to be a hand to hand narcotic transaction. Deputy [REDACTED] was the passenger and Deputy Taylor was the driver of the radio car. Deputy Taylor pulled their patrol car into a position to conduct a pedestrian stop of Suspect Alonzo.

Deputy [REDACTED] said that after they pulled into position to conduct the pedestrian stop, he saw Suspect Alonzo look in their direction, place his right hand in the front right pocket of his short pants. Suspect Alonzo turned his body slightly, blading himself away from the deputies position and bent at the knees. This alarmed Deputy [REDACTED] and he feared the suspect may have been armed. Both deputies began giving the suspect verbal commands

to remove his hand from his pocket; however, Suspect Alonzo did not comply. Suspect Alonzo paused for a brief moment and then attempted to scale a high fence he was standing near. Suspect Alonzo attempted to scale the fence using only his left hand and kept his right hand in his pocket.

After an unsuccessful attempt at scaling the fence, the suspect turned away from the deputies' direction. As the suspect was turning, Deputy [REDACTED] saw Suspect Alonzo start what deputy [REDACTED] described as a weapon drawing motion. Deputy [REDACTED] stated that Suspect Alonzo lifted his right elbow high, much higher than needed to simply remove his hand from his pocket, and began drawing his right hand from his pocket. Deputy [REDACTED] perceived this as a threat and thought that Suspect Alonzo was drawing a firearm, while turning away from the deputies to shield the firearm from view. Seeing this action and fearing that he and his partner were about to be fired upon, Deputy [REDACTED] fired one round from his handgun striking the suspect.

Deputy [REDACTED] indicated that he saw the suspect immediately fall to the ground and both of his hands came into view. Deputy [REDACTED] covered Suspect Alonzo at gun point while Deputy Taylor handcuffed him. Deputy [REDACTED] stated that he was well aware of his backdrop and there was nothing in his field of fire between him and the suspect.

SUSPECT STATEMENTS

Suspect Alonzo did not make a statement regarding this incident.
